## **What is Sport Flying All About? An FAA Safety Team Seminar hosted at Travel Express Aviation**

Come out and get your hands on a light sport aircraft— we will have one on display during our presentation on LSA Flying! We will talk to you about the advantages and limitations of light sport aircraft, the details of the light sport training programs and how this rating differs from the Private Pilot Rating. We'll show you why LSA flying may be a good choice for you!

**This Event Qualifies for the FAA's WINGS Program.  
This Event is Open to the General Public.**
